

Accessing your VitalSource® ebook

The ebook is in VitalBook™ format which can be accessed using the VitalSource® Bookshelf - an ebook reader which allows you to make and share notes and highlights on your ebooks and search across all of the ebooks that you hold on your VitalSource Bookshelf. You can access the ebook online or offline on your smartphone, tablet or PC/Mac and your notes and highlights will automatically stay in sync no matter where you make them.

Initial set up and online access

1. Create a VitalSource Bookshelf account at <https://online.vitalsource.com/user/new> or log into your existing account if you already have one.
2. Redeem the code provided in the panel below to get online access to the ebook. Log in to Bookshelf and select **Redeem** at the top right of the screen. Enter the redemption code shown on the scratch-off panel below in the **Redeem Code** pop-up and press **Redeem**. Once the code has been redeemed your ebook will download and appear in your library.
3. Once you have created your account you can access the titles on your bookshelf and redeem new codes online by going to <http://online.vitalsource.com/> and logging in to your account. You can also buy other ebook titles from the VitalSource Store at <http://store.vitalsource.com/>.

Download and read offline

After initial set up you can use your ebook offline by downloading BookShelf to your PC, Mac, iOS device, Android device or Kindle Fire, and logging in to your Bookshelf account to access your ebook or redeem new codes.
